

A guide to the contractor renewal process

- 1 If you're not already on our contractor web page, click this link:
<https://www.watercare.co.nz/About-us/Who-we-are/Contractors>

- 2 Select the 'click to renew your certificate' button. You will be taken into your existing inductions. This is where you complete your renewal.

Registration portal (new contractor)

Follow the instructions for registration via Immerse (inductions, certification for site entry, training modules) by clicking the button below.

Click to begin!

Certificate renewal (existing contractor)

Click the button below if you have previously registered via Immerse and are needing to renew your certificate.

Click to renew
your certificate

- 3 Find the certification you want to renew. Select 'renew now'.
