

NOTICE

Improving the water network: Huia no.1 watermain replacement

Road closure on Titirangi Road for watermain replacement Starting mid-December 2021 until mid-late March 2022

We will soon start work to replace the Huia no.1 watermain along Titirangi Road from Golf Road toward Highland Ave. The project is needed as the pipeline is aging and the new pipe is larger to cater for growth.

Please take alternative routes where possible such as Atkinson Road or Godley Road and follow directions of traffic management and detours to keep everyone safe.

We thank you for your patience while we complete this essential work.

For more information on the project visit our website: www.watercare.co.nz

For questions about this work please email: Huia1@water.co.nz
