Improving the water network: Huia no.1 watermain replacement – Donovan Street, Blockhouse Bay – service investigation works

As you may be aware, our partner contractor, March Cato, are undertaking an important project to replace the Huia no.1 watermain in your area.

From **Monday 4 September 2023 for approximately three weeks** Donovan Street will have traffic management set up in stages for service investigation works (please note, these works are weather dependent).

Please note, we will start with stage two on Monday 4 September and work our way through to stage nine. We will be carrying out the stage one investigations over two Saturdays.

Working hours are **Monday to Friday 10.00am – 3.00pm** and **Saturdays 8.00am – 6.00pm**. Please note, that city bound traffic will be diverted around the investigation areas.

Please see the maps of the stages below:

Stage 1 - Stage 1 works will be carried out over two Saturdays.

Key

- Traffic management and safety zones
- Pedestrian footpath/route

TRAFFIC NOTICE

31 August 2023

Traffic management and a detour around the investigation areas will be in place. We ask that you please follow the direction of traffic management staff and traffic signage to keep everyone safe. Thank you for your patience while we undertake these investigations.
